BAD RUNAWAY

A Foxport Team Did Considerable Damage in Sixth Ward

Yesterday just after the dinner hour, Mr. Edward Toler, a teamster of Foxport, was driving through the Sixth Ward with his wagon loaded with provisions.

When near Wood street the horses became frightened and began running, and when near the Ball Park Toler fell off, the wagon passing over him, injuring him slightly.

Further on the wagon struck Mr. Claude Watkins's runabout which was standing near Prospect street, wrecking it and throwing Mr. Watkins out, he luckily escaping injury.

The horses were finally stopped before further damage resulted.

TURNER ACQUITTED

Lewisburg Shooting Affair Heard by Judge Newell Yesterday

The examining trial of Clarence Turner for the killing of Henry Edwards, both colored, was held before Judge C. D. Newell yesterday, and after an exhaustive and rigid examination Turner was exonerated and discharged.

The testimony was in favor of the accused, and that he acted purely in self-defense was clearly established.

The verdict was right and proper.

Turner killed Edwards last Saturday night at an entertainment given by the colored folks at a schoolhouse beyond Lewisburg and was the outcome of filling up full of bug juice and having revolvers buckled on their hips.

SUIT FOR DAMAGES

A. M. Danbery Sues L. T. Gaebke For Breach of Contract

THE LEDGER mentioned in Monday's issue the sale by L. T. Gaebke of his coal yard on the corner of Second and Poplar streets, together with the coal and good will of the business, for which Mr. A. M. Danbery agreed to transfer his stock in the Maysville Foundry, Machine and Marine Company, and also to give a money consideration.

One hundred dollars of the consideration was paid and the contracts were drawn up to bind the bargain, but since then Mr. Gaebke has refused, and still refuses, to convey the real estate or to deliver the personal property to Mr. Danbery, so the petition states, and for his breach of contract judgment is asked in the sum of \$1,000.

Messrs. A. D. and A. B. Cole and Frank P. O'Donnell are Attorneys for Mr. Danbery.

Mrs. Phinniah Taylor and daughter, Miss Carrie, of Augusta were visiting in Maysville Wednesday.

THE LAST DAY

And the Happy Delegates Are Now Homeward Bound

The Christian Church State Convention has come and gone and left many delightful memories. It was a reunion of Christian people, and many old soldiers of the Cross lived life over again in recounting to each other reminiscences of other pastoral days. It was a happy reunion of old friends and pleasant introduction to each other of persons who had never met before. There were many delightful surprises in the sudden and unexpected meeting of former acquaintances and of persons one knew all about but had never seen.

The weather smiled lovely upon the Convention, and everything that had been planned and hoped for came off without hindrance or disappointment. The hearty welcome in the homes where delegates were entertained as guests was felt and appreciated by them, and they returned to their homes feeling that it was good to be in Maysville.

The Convention showed its high appreciation of a good man and indirectly complimented his home town, in which they had been royally received and cared for, when it by acclamation elected Mr. James T. Kackley President of the Sunday-schools of the state for the ensuing year to succeed the retiring President, Attorney Ed S. Jovett of Winchester.

This was a well deserved recognition of Mr. Kackley's faithful services as a Sunday-school worker and advocate, and we predict that the Sunday-schools of Kentucky will greatly flourish under his administration.

Richmond was selected as the place where the Convention will meet next year.

The delegates threw many bouquets to and said many approving things of the local management by the local congregation of this Convention.

The Richmond delegates will likely tell their Church how Maysville managed this Convention. One feature of this Convention was the dining-room basement in which dinner was served gratuitously to nearly one thousand people daily during the Convention. The tables and the room with the decorations of cedar, fern and flower presented a beautiful scene that will always be remembered. The "Maysville Day," the "County Day" and the "Maysville Day" in which each in turn vied with the other in hospitable entertainment of delegates and visitors, was a happy solution of the dinner question.

The Convention closed with program in the Opera-house last night. J. W. Graham of Louisville presented in forceful manner the claims of the Christian Church Orphan Home upon the charity of the Church. He mentioned with pride the fact that the Foreign Christian Missionary Society, the Christian Orphans Home and the Masonic Home were not only pioneer institutions but best of all were born on Kentucky soil and were models for other states and countries to go by in establishing similar institutions.

Dr. Herbert L. Willett of the Chicago University arrived in Maysville in time to deliver his admirable address at the Opera-house on "The Church as a Teacher." The audience greeted his appearance warmly and gave his speech the closest attention. Dr. Willett is a man of culture, learning and eloquence and his splendid talk was much appreciated and complimented.

The State Sunday-school Convention elected the following officers for ensuing year—President—James T. Kackley, Maysville. Treasurer—J. S. Hilton, Louisville. Evangelist—R. M. Hopkins, Louisville. Chairman of Executive Board—J. S. Carpenter, Louisville.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

REPUBLICAN CONVENTIONS.

At a meeting of the Committee of the Republican party of the Nineteenth Judicial District, held at the St. Charles Hotel in the city of Vanceburg, Ky., on Wednesday, September 20th, 1905, for the purpose of calling a Convention to nominate a candidate for Commonwealth's Attorney for said District, to be held at the November election, 1906, it was agreed and so ordered that a Mass Convention be held in each county by the Republican party in said Nineteenth Judicial District, and the same to be called by the Chairman and Secretary of the County Executive Committee of each county; and the said Convention to be held at the county seat in each county on Saturday, September 30th, 1905, at 1 p. m.; and that said County Convention in each county select delegates to attend the District Convention, which will be held in the Courthouse in the city of Vanceburg on Monday, October 23rd, 1905, at 1 o'clock p. m.; that each county will be entitled to 1 vote for each 100 votes cast for President Roosevelt for President and 1 vote for each 50 votes or over so cast at the November election, 1904.

Chairman Nineteenth Judicial District

A. H. Parker, Secretary.

Pursuant to the above call by the District Chairman, the Republicans of Mason county will meet in mass convention at the Courthouse, Maysville, Saturday, September 30th, 1905, at 1 o'clock p. m., to select delegates, as per the rule mentioned above, to the District Convention to be held in Vanceburg Monday, October 23rd, 1905, for the purpose of nominating a candidate for Commonwealth's Attorney for said District.

W. E. Stallcup,

Chairman Mason County Republican Executive Committee.

A. M. January, Secretary.

I'd rather sit in the Gallery in Maysville than in a Private Box in Philadelphia or New York.

Even in the big cities of the East, where politics is one of the fine arts, people are too busy to give attention to the Bosses. Republican Prosperity is everywhere.

With the State Convention of the Christian Church and the Reunion of the Tenth and Sixteenth Kentucky Veterans, Maysville has had a rousing good time; and so have our welcome visitors.

T'other day I heard a discussion in a large Eastern city as to whether we'd know each other in Heaven; and I couldn't help thinking what useless speculation it was, inasmuch as the people of that city didn't now know their next-door neighbors.

WHILE I was down in the neighborhood of sunrise, enjoying the good things that grow only in the sea, some devoted friends took up the idea that I ought to be sent to Frankfort, where certain Wise Men make laws that hinder Kentucky's Progress. This desire took public expression as follows—

From The Dover Public Messenger.

At today's Republican County Convention at Maysville Editor THOMAS A. DAVIS is tipped for the nomination for Representative in the Lower House of the General Assembly. While Editor DAVIS is an active and courageous partisan, he is first a brainy, broad, liberal and patriotic American citizen, who sees the magnificent future possibilities of his native Kentucky, and is ever ready with voice and pen to hurry up the work of development. Disparaging not the claims of other candidates, we are honest in saying and believing that should Mr. DAVIS be elected he is certain to win the highest praise in the State Legislature and to advance the interests of Mason county along the lines of natural and prompt development through practical statesmanship.

From The Louisville Herald.

Republican nominations for the Legislature so far give hope of better conditions in the Legislature than have for a long time prevailed. The Republicans of Mason county speak, we are happy to note, of placing the Hon. THOMAS A. DAVIS, Editor of THE MAYSVILLE PUBLIC LEDGER, in nomination for Representative from their opulent and intelligent county. No better choice could be made. A united effort on the part of the Republicans of Mason ought to land Mr. DAVIS in the General Assembly, where he would certainly prove a power for party good and sound legislation.

Well, the Convention met and my name was presented by Colonel C. C. DEGMAN. Very promptly another was proposed, when Colonel DEGMAN did me the favor of withdrawing my name.

I would much rather have the regard of my brethren of the Press than to have the doubtful honor of an empty nomination; for I am told that the Chairman of the Convention, in urging candidates to accept places on the ticket, assured them that they would "not be burdened with the office."

So it looks quite like the nominees were simply put up to be knocked down—a sort of Annex to Democratic Success.

If I'm wrong, I'm misled by the Chairman's inconsiderate declaration.

THE LIVER QUARANTINE

"TAKING HIS MEALS OUT."

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health.

A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness.

In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.

WORKING WOMEN

Their Hard Struggle Made Easier—Interesting Statements by a Young Lady in Boston and One in Nashville, Tenn.

All women work; some in their homes, some in church, and some in the whirl of society. And in stores, mills and shops tens of thousands are on the never-ceasing treadmill, earning their daily bread.

All are subject to the same physical laws; all suffer alike from the same physical disturbance, and the nature of their duties, in many cases, quickly drifts them into the horrors of all kinds of female complaints, ovarian troubles, ulceration, falling and displacements of the womb, leucorrhoea, or perhaps irregularity or suppression of "monthly periods," causing backache, nervousness, irritability and lassitude.

Women who stand on their feet all day are more susceptible to these troubles than others.

They especially require an invigorating, sustaining medicine which will strengthen the female organism and enable them to bear easily the fatigues of the day, to sleep well at night, and to rise refreshed and cheerful.

How distressing to see a woman struggling to earn a livelihood or perform her household duties when her back and head are aching, she is so tired she can hardly drag about or stand up, and every movement causes pain, the origin of which is due to some derangement of the female organism.

Miss F. Orser of 14 Warren Street, Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Boston, tells women how to avoid such suffering; she writes:

Dear Mrs. Pinkham:—
I suffered unbearably for several years with irregular menstruation. My back ached; I had bearing down pains, and frequent headaches; I could not sleep and could hardly drag around. I consulted two physicians without relief, and as a last resort, I tried Lydia E. Pinkham's Vegetable Compound, and to my surprise, every ache and pain left me. I gained ten pounds and am in perfect health."

Miss Pearl Ackers of 327 North Summer Street, Nashville, Tenn., writes:

Dear Mrs. Pinkham:—
"I suffered with painful periods, severe backache, bearing-down pains, pains across the abdomen; was very nervous and irritable, and my trouble grew worse every month. My physician failed to help me and I decided to try Lydia E. Pinkham's Vegetable Compound. I soon found it was doing me good. All my pains and aches disappeared, and I no longer fear my monthly periods."

Lydia E. Pinkham's Vegetable Compound is the unfailing cure for all these troubles. It strengthens the proper muscles, and displacement with all its horrors will no more crush you.

Backache, dizziness, fainting, bearing down pains, disordered stomach, moodiness, dislike of friends and society—all symptoms of the one cause—will be quickly dispelled, and it will make you strong and well.

You can tell the story of your sufferings to a woman, and receive helpful advice free of cost. Address Mrs. Pinkham, Lynn, Mass.

ORGANIZATION PERFECTED

Archibald Stuart President of New Tobacco Growers Company

The tobacco growers of the white burley district have at last launched their long talked-of Association, and now the fight against the Tobacco Trust is on to a finish.

At Lexington Wednesday the Executive Committee met and perfected the organization, which was named the Burley Tobacco Growers' Association. The capital stock is placed at \$1,500,000, of which \$250,000 is held by the growers themselves.

The following were elected officers of the new Association:

President—Archibald Stuart, Cincinnati.
Vice-President—William Adams, Cincinnati.
Treasurer—W. J. Freeland, Cincinnati.
Secretary—B. D. Berry, Lexington.

Mason county growers are required to subscribe \$15,000 worth of stock in the new organization.

The tobacco barn of George Berry near Mt. Olivet was burned, with its entire contents, a large crop of new tobacco. His corncrib and farming implements were also burned. Last year Mr. Berry sustained a great loss by his barn being demolished by a windstorm.

He is a manly little fellow, worthy of assistance, and his appeal should meet hearty response. A trifle from each will accomplish the result.

BABY GIRL'S AWFUL HUMOR

Would Scab Over, Break Open, and Be Raw—Intense Suffering for Two Years—Doctors and Medicines Failed to Help Her.

CURED BY CUTICURA AT COST OF 75 CENTS

Writing under date of Aug. 15, 1904, Mrs. L. C. Walker, of 5 Tremont St., Woodford, Me., says: "My sister had a terrible humor on her shoulder when she was eighteen months old, causing intense suffering for two years. We had several doctors, and tried everything, but in spite of all we did it kept spreading. One day it would scab over and then crack open and a watery matter ooze from it and the scabs would all fall off. It would be raw for a time, then scab over again. Some one recommended Cuticura, and we immediately procured a box of Cuticura Ointment, and a cake of Cuticura Soap. She was much better after the first bath with warm water and soap, and an application of the Ointment. Before it was half gone we saw a marked change for the better, and she was entirely cured, without a scar being left, by the use of Ointment and one cake of Soap. Her skin is now entirely clear, and she has not had a sign of trouble since."

100,000 MOTHERS Daily Tell Other Mothers

That Cuticura Soap is the best baby soap in the world for cleansing and purifying the skin, and that Cuticura Ointment is of priceless value for soothing and healing itching, torturing, and disfiguring eruptions, itching, and chafings. A single application of Cuticura Ointment, preceded by a warm bath with Cuticura Soap, gives instant relief, and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers.

Cuticura Soap, Ointment, and Pills are sold throughout the world. Potter Drug & Chem. Corp., Boston, Sole Props. Send for "How to Cure Baby Humors."

HOW IT STICKS

Maysville Has Found It Hard To Shake Off

Hard to bear, harder to get rid of, is any itching skin complaint, Eczema or Itching Piles. Doan's Ointment relieves and cures All itches of the skin.

Maysville people endorse this statement: Mrs. Kate Post, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. J. Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp. It broke out in spots, and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment, and was absolutely cured."
